Dear student,

We are happy to inform you that Bharatiya Vidya Bhavan is going to start its August 2026 session. Now admissions are open. Classes will be starting from third week of August 2026. So by end of July 2027 you will be a qualified Media person and ready to take job in Film, TV & Animation Industry.

BVBFTS is known for its extensive practical training and that's a reason, all TV Channels prefer appointing students from Film & TV Institute of Bharatiya Vidya Bhavan, (BVBFTS) New Delhi. Today more than 1000 qualified students are working in different Radio Stations, TV Channels and Media Production Houses from India and Abroad.

NOW THE QUESTION IN YOUR MIND, WHY ONE SHOULD JOIN BVBFTS?

Today there are plenty of colleges offering BJMC and MJMC degree from different universities, and around 1 Lakh students pass out every year. But the reality is, they don't get job in TV Channels. The reason is that, the theoretical knowledge alone is not sufficient to work in media industry

At Bharatiya Vidya Bhavan teaching method is different, we believe in 'Learning by Doing' means, start doing from day one, what you have to do in TV Channel. We keep our students busy working on practicals. So they produce several video projects in one year time. These projects are used by students as their Portfolio. By showing this work they get job very easily and they work with full confidence. This is a main reason our students are preferred at media industry. So we have 100% placement record.

Now to join BVBFTS, please apply and give admission test.

The admission test is not to reject your admission but to check your potential and qualities to become a media person.
